About Me

I am Sushan Shrestha, a passionate and motivated Computer Science undergraduate currently pursuing my bachelor's degree at Kathmandu University. I have a strong interest in FrontEnd development and currently learning Full stack development. I am actively seeking opportunities to learn and gain hands-on experience in the field.

PROJECTS & EXPERIENCE

Hackathon Participation
Participant – KU HackFest
Kathmandu University
- Designed the HackFest website UI/UX and created visual content for KU HackFest's social media. Collaborated with the team to deliver a consistent and engaging design experience.

My Projects

Adventure
HTML, CSS, JavaScript
- Developed a responsive tourism website that showcases travel destinations, experiences, and services. Focused on clean design, smooth navigation, and engaging layout to enhance user interaction.

Portfolio Website
HTML, CSS, JavaScript
- Designed and developed a personal portfolio site to showcase projects, skills, and experience. Focused on responsive design and user-friendly layout to present content clearly across devices.

MemoryMatch
JavaScript, HTML, CSS
- Built a classic memory matching game with a dynamic UI and scoring system. Implemented logic for card flipping, win detection, and user feedback to improve playability.
